Defendants' ex parte request to stay my August 19, 2008 Order Denying Administrative Motion for Relief to Seal and Scheduling Show Cause Hearing [Order] is **GRANTED**. Defendants assert that Judge Wilken had previously ordered sealed, several brief portions of the parties joint case management statement. While it appears that defendants' requested sealing is overbroad, I can't be certain since the sealed portions of the case management statement do not appear to be in the voluminous record otherwise presented to me. Therefore, in an abundance of caution, the Order is stayed until noon on Wednesday, August 27, 2008, so that defendants can file the unredacted version of the case management

1 statement under seal. The request for a restraining
2 order is **DENIED**.
